## ABOUT THE DEPARTMENT

Electrical & Electronics Engineering Department is one of the first few disciplines that were started since the inception of the college in the year 1995. New courses were introduced subsequently and the existing ones were restructured to reflect the state of the art.

The Department has well qualified faculty and excellent facilities for research. The department has well-established Laboratories for Electrical Machines, Power Electronics, Digital Electronics, Control & Instrumentation and Power System Simulation. To add credit to the EEE Department, it has been ranked FIRST consecutively for the 3<sup>rd</sup> time among the engineering colleges affiliated to Anna University.

## THEME OF THE FDP

The main objective of this program is to provide good opportunities for the faculty members to have an insight about MATLAB Applications in Electrical Engineering. Further this program will help the faculty members to strengthen their technological base by bringing research culture and promoting creative adaptation, innovation and utilization through interaction between institutes of learning.
