SAI RAM
ENGINEERING COLLEGE

An Autonomous Institution

West Tambaram, Chennai - 44

www.sairam.edu.in

ABOUT THE INSTITUTION

Sri Sairam Engineering College (Autonomous), Chennai-44, Tamilnadu, India established in the year 1995 by MJF.Ln.LeoMuthu, the founder Chairman of the Sapthagiri Educational Trust, is a non-profitable and non-minority institution. The Institution is approved by the All-India Council for Technical Education, New Delhi and is affiliated to Anna University. Today, our Institution has developed into a reputed and topnotch Engineering Institution with ISO 9001:2015 Certification, NBA Accreditation to all eligible disciplines of Engineering & Management and Accreditation by NAAC in A+ with 3.37 CGPA for 5 years.

ABOUT THE EEE DEPARTMENT

The Department of EEE, established in 1995 with the approval of AICTE, is set in an open, student-friendly atmosphere, and has a fine blend of dynamic and experienced faculty who provide Quality education at both UG and PG levels. The Department has been producing good results with distinction and Ranks in University Examinations (173 Ranks with 2 Gold Medals). The Department of EEE had bagged the Best Industry linked Institution award in the prestigious AICTE-CII Survey of Industry-linked technical institutions in 2018. The department has been organizing many Symposiums, Workshops, Guest Lectures and Skill Development Programmes to encourage the students hone their personality and extracurricular skills.

SAIRAM UBA

As foreseen by Mahatma Gandhi in his seminal work, 'Hind Swaraj', the western developmental paradigm, based on centralized technologies and urbanization, has given rise to serious problems like increasing inequity and climate change due to rapid ecological degradation. To ameliorate these problems, it is necessary to promote development of rural areas in tune with Gandhian vision of self-sufficient 'Village Republics'.

Sairam UBA is working towards the statement of Mahatma Gandhi, by adopting Villages like PUDHUCHERY, SOMANGALAM, VARADHARAJAPURAM, NANDAMBAKKAM, NADUVEERAPATTU.

SAIRAM EEE-UBA-GLOBAL GOALS WEEK

The Unnat Bharat Abhiyaan aims to enable the higher education institutions to work together with the people of rural India and fulfil the Sustainable Development Goals. Global Goals Week is an annual week-long event in September for action, awareness, and accountability for the Sustainable Development Goals. The Global Goals Week is scheduled to coincide with the main annual meetings that take place during the UN General Assembly. This week highlights a shared commitment between over 100 partners across civil society, business, academia, and the UN system, to accelerate action on the Sustainable Development Goals (SDGs), particularly during the UN General Assembly High-level Week. The purpose is to organize "Action, Awareness, and Accountability for the Sustainable Development Goals". It is also an opportunity to "speak out as one voice, share ideas and transformative solutions in the fight to build back better from global challenges". It aims to make "the SDG community come together". Since sustainable developmental activities of villages involve the UN SDGs, it is necessary that each of us should know about SDGs. Sairam UBA-Global Goals Week is intended to raise awareness among all young minds about SDGs. The main objective of this event is to identify the problems existing in the development areas and to suggest appropriate solutions to increase the rate of sustainable development in rural areas.

The events include

1. HACK & INNOVATE

Hack & Innovate is an event, where people from different domains work together to achieve their task with fullest efforts...

Topic:

1. SDG GOALS:
